for Infrastructure, Business and Industry

Sponsorship Opportunities

The biggest benefit as sponsor was to be able to display our name in public at this extremely important and high profile event. To be able to participate in the conference lends to our credibility as operator and enhances our corporate reputation in Ghana and the West Africa Region where we operate.

Conference theme and objectives

What are the short- and long-term consequences of decisions by infrastructure developers, industry executives and managers, financial agents, and business leaders? What effect do those decisions have on ecosystems? Cultural heritage? Human well-being?

Today we know much more about the environmental and social effects of these decisions and their implications to humankind, especially the poorest and most defenseless people.

Since we share a common world, we should be able to identify common objectives for responsible development, in which each sector of the economy becomes aware of the consequences of its decisions. Impact assessment comprises a set of tools that strengthen the sense of responsibility in business and investments and in the design and execution of policies, plans, programs and projects, from the early conceptual stage of each project until the end of its utilitarian life.

At IAIA11, experts from around the globe will be highlighting how the various instruments of impact assessment can assist infrastructure developers, decision-makers, financial institutions, retail development, development cooperation providers, and the public to ensure a better future.

Why sponsor IAIA11?

Theme Forum

\$8,000 | 16 Available

Theme forums are the show-piece sessions at IAIA conferences. They bring together world-class speakers addressing cross-cutting issues of relevance to a wide range of impact assessment practitioners and employ innovative formats to encourage wide participation. Sponsorship of a theme forum is subject to final approval of the theme forum by the Program Committee and/or the theme forum conveners. Because the number of theme forums is limited, attendance is high at each session.

Concurrent Sessions

Interested in a specific topic area? Focus on it by sponsoring a relevant 1.5-hour concurrent session. Sponsorship of a concurrent session is subject to final approval of the session by the Program Committee and/or the session chair.

Plenary Session

Great conferences often start and end with highly motivating speakers. Sponsor the opening plenary for \$15,000 or the closing plenary for \$10,000. Signage recognizing your company will connect your name with the energizing session it supports.

Ibero-American Day sponsored

\$18,000 | 1 Available

A special one-day meeting will be held on Monday, 30 May to evaluate how Ibero-American countries are performing regarding environmental sustainability and to establish a network of experts from the Ibero-America region to strengthen the practice of impact assessment in these countries.

Translation

\$13,000

Help facilitate participation of Spanish-speaking delegates and build capacity in Latin American countries by sponsoring oral translation of the conference's main sessions.

Final Program

\$8,000 | 1 Available

The final program is used with great frequency by all delegates throughout the conference and afterward. Enjoy prominent recognition of your contribution on the program itself, both on the printed copy and the online version.

Participant Support

Between \$4,000 and \$5,500 per person

Support for professionals from developing countries or countries in transition, and support for student participants: Your organization could provide application criteria and the number of persons to sponsor, and IAIA will work with you in selecting delegates and handling all the registration and logistical arrangements. The sponsorship covers registration fees, special activities, airfare, hotel, and daily expenses. The amount will vary depending on the home country of each of the participants. Because of the time needed to make travel and visa arrangements and to confirm the delegates' places on the program, this sponsorship must be confirmed by 28 February 2011.

Can sponsors speak/present at the conference?

Yes, we encourage sponsors to get involved with the technical program by submitting an abstract for a session or theme forum. Please note submission deadlines posted at www.iaia.org. Abstracts submitted by sponsors are subject to the same technical review and acceptance criteria as other submissions.
