Shuttle Bus

Our shuttle bus is working from 7:00 AM. To 09:00 PM only upon availability.

We do not take bookings in advance for transfers from the airport or from the station, due to possible delays of the planes, getting the luggage or passing through the boarder.

So, when you arrive past the boarder, on the arrival level you can call our main telephone number 022 918 11 11 and check if our shuttle bus is available. If it is, we will precise the delay for coming and it will come and pick you up on the shuttle bus pick-up area. Our shuttle bus is not allowed to park or wait there so you have to be ready.
