## Stavanger Forum Conference and exhibition centre

### Hotel information

**Important: book early!**

Stavanger is a popular tourist destination and hotel rates can be very high. IAIA has reserved blocks of rooms at special low IAIA conference rates at a number of area hotels. These rooms will be held until 6 weeks prior to the start of the conference (10 April) or until the blocks are filled, whichever comes first. Reservation requests after 10 April will be based on availability and may be priced at regular (higher) rates. Following is an overview of hotels reserved.

All bookings for the listed hotels are handled through Stavanger Forum booking service. For more detailed information and to reserve a room, see [www.iaia.org](http://www.iaia.org) > Conferences > IAIA06 > Helpful Links or contact Stavanger Forum.
