PRE & POST CONFERENCE TOURS

PS1- Spectacular Mt. Seorak (1 night / 2 days)

Price: KRW320,000 per person (min.2)

As one of the National Parks of Korea, **Mt. Seorak** is often considered the most beautiful mountain in the southern part of the Korean peninsula. The mountain contains some of Korea's most scenic rocky peaks, cliffs, valleys, ancient temples, ridges, waterfalls, and the sea of forests. Its major attractions include Sinheung Temple, Gwonkeumsung Peak and Heundeul Bawi ("Rocking Rock")

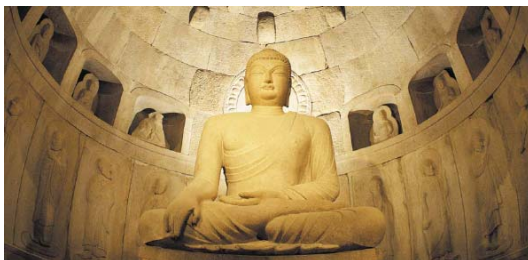

Inclusive of: Coach, English speaking guide, admission fee, accommodation, and all meals

PS2- Gyeongju City Tour (1 night / 2 days)

Price: KRW360,000 per person (min.2)

Gyeongju was the capital of the Shilla Kingdom for a thousand years, and the valley where it is located has a great concentration of historical buildings, temples, tombs, and artifacts. After Shilla unified the peninsula in A. D. 676, the city became one of the world's great cultural centers. The area is called a "museum without walls" because of the wealth of historical heritage.

Inclusive of: Coach, English speaking guide, admission fee, accommodation and all meals

PS3-Fantasy Island Jeju (1 night / 2days)

Price: KRW480,000 per person (min.2)

'Hawaii of Korea', **Jeju Island** is one of the nine provinces of Korea and it is only an hour flight south of Seoul. As a result of its isolated location and romantic subtropical image, Jeju has become a favorite retreat with honeymooners and tourists. Like Hawaii, Jeju was created by a volcanic eruption and many parts of the island are covered with dark volcanic rocks, and soil. Simply, Jeju Island has more exotic natural surroundings and scenic splendors than anywhere in Korea.

Inclusive of: Coach, English speaking guide, admission fee, accommodation and all meals

PS4-Geumgangsan Diamond Mountain (2 nights/ 3days)

Price: KRW480,000 per person (min.2)

The **Geumgangsan Diamond Mountains** stretch out over 40 kilometers of land, while reaching a height of 1,638 meters at its highest peak. The total 12,000 pinnacles offer spectacular views of the marvelous rock formations, valleys, and waterfalls. This breathtakingly scenic spot is one of a kind and is considered the most beautiful mountain range on the Korean peninsula. Since September of 1998, the Geumgangsan Diamond Mountains have been made accessible from South Korea. After 50 years of virtual non-travel into the north, the road leading up to North Korea opened allowing tourists view this amazing mountain range.
