IAIA International Headquarters
1330 23rd St. South, Suite C
Fargo, ND 58103 USA

Early Bird Registrants, Please Note! Pre-meeting training courses, pre-meeting technical visits, and special sessions or events will be announced, and a full registration form will be included, in the preliminary program (issued January 2002). Payment may be required for some events, but you need to send in the full registration form if you plan to attend **any** additional meeting events, even if the events are free of charge.

Abstract Processing Fee. If you send an abstract for consideration by the program committee, your abstract will be forwarded to the committee for final approval and inclusion on the program after your registration form and fees have been received by the International Headquarters. If you choose not to register in full at the time you send your abstract, a \$60-nonrefundable processing fee is required before your abstract will be forwarded to the program committee. Your full registration form and the remainder of the registration fee must be received in the HQ by 1 April 2002 in order to remain on the program; your \$60 abstract processing fee will be applied toward your registration fee.

Delegate Information. Type or print information exactly as you want it to appear on your name badge. Please photocopy and use one form for each person registering.

Registration Fees and Attendance. All meeting participants, including delegates, session chairs, invited speakers and guests, organizers, and exhibitors, are required to register and pay the full or student registration fees (no fee waivers). IAIA has no funds to sponsor registration or travel expenses.

All participants will receive a name badge at check-in. The badge is an official pass and must be worn to obtain entry to meeting functions, meals and special events. Tickets may be required at some events and will be distributed at check-in.

Payments. Registration fees should accompany this form. No registration will be processed without payment unless arrangements are made with the International Headquarters before 1 April. Acknowledgment that your registration was received will be issued by e-mail; receipts will be issued by mail. No official receipts will be issued onsite at the annual conference.

* The non-member rate automatically registers you for a membership to IAIA through 31 December 2002 if you are a new member or if your membership has lapsed. If you are a member, and it is more convenient for you to pay your annual membership dues at the same time you register for the annual meeting, please pay the non-member rate. We will credit your account as having paid your annual 12-month membership dues, which will begin on your regular membership anniversary. If you pay the member rate, you will receive an invoice for membership dues on your regular membership anniversary date.

Refunds. IAIA will refund registration fees, less a \$50 administration charge, if written notice of cancellation is received in the International Headquarters before 1 April 2002; the refund will be issued following the annual conference. After 1 April, no refunds will be issued for cancellations or no-shows. Substitutions may be made in writing with no penalty. IAIA has no insurance for cancellations; participants are asked to arrange this on their own behalf if necessary.
